In view of the development of the PC-OC website, the Secretariat invited delegations to propose links to websites of relevance to the work of the PC-OC and of practitioners active in the field of international co-operation in criminal matters. The suggested links were discussed during the 61st meeting of the PC-OC.

The PC-OC concluded that it would be useful to compile links to websites of relevant intergovernmental organisations and international courts as well to relevant governmental websites. In line with the discussions held, and pending further proposals for links to national websites, the Secretariat proposes to consider publishing the following links on the PC-OC website.

Afin de développer le site internet du PC-OC, le Secrétariat avait invité les délégations de proposer des liens vers des sites pertinents pour le travail du PC-OC ou pour les praticiens impliqués dans la coopération internationale dans le domaine pénal. Les liens suggérés ont été discutés durant la 61^{ème} réunion du PC-OC.

Le PC-OC avait conclu qu'il serait utile de compiler des liens vers des sites web d'organisations intergouvernementales et de cours internationales ainsi que vers des sites web gouvernementaux pertinents. Faisant suite à ces discussions, et en attente de propositions supplémentaires de liens vers des sites web nationaux, le Secrétariat propose de considérer la publication sur le site du PC-OC des liens suivants.
