

Handouts

Instructions

- Draw a faint line down the middle of the page.
- Negative associations should be written to the left hand side of the centre line; the more negative they are, the further out towards the left edge of the paper they should be.
- Positive feelings should be written on the right hand side of the page; the more positive they are, the further they should be to the right hand edge of the paper.
- Feelings that are strongly evoked by the memorial should be written in larger (stronger) text than feelings that are only evoked weakly.
