

Here are some of the follow up activities done by participants after the EYF (Re)generation seminar in order to disseminate the information acquired.

Ani (Armenia): organised PowerPoint presentations and posted on Facebook.

Natie (Cyprus): organized training course and disseminated information also about EYF, role and objectives and plans to do the same in upcoming seminars.

Katie (Georgia): used social media (website and Facebook posts), and workshops for representatives from local NGOs.

Maria (Republic of Moldova): published articles on website, local and regional online news portals. Organised meeting with regional peer network. <http://alternativa.org.md/a-o-alternativa-a-participat-la-un-seminar-organizat-de-european-youth-foundation/>

Nenad (Serbia): local newspaper article about participation to the EYF (Re)generation seminar, planning a meeting with representatives of youth NGOs to discuss and disseminate the results of the seminar.

Nikola (Serbia): published Facebook posts <https://www.facebook.com/media/set/?set=a.10152894889468145.1073741879.271670583144&type=1> and website article <http://kom018.org.rs/?p=1665>

A meeting was organized with volunteers to spread the word about EYF while a meeting with local NGOs is currently being planned.

Koudjo (Spain): meetings with colleagues and future session about the EYF during April training. Presentation and group work will be used as methods.

Elena (Ukraine): published Facebook post <http://vk.com/cecdonetsk> and blog article <https://mindgamersblog.wordpress.com/2015/03/13/the-eyf-regeneration-seminar/>
