

Division de lutte contre la cybercriminalité

*Lieutenant-colonel Éric FREYSSINET
Pôle judiciaire de la gendarmerie nationale
STRJD, Chef de la division de lutte contre la cybercriminalité*

Priorities for the coming years

- Exchange of operational information with the private sector
 - Thus build more trust
- More interactions with the public
 - Be present where the public is on the Internet
- Send a strong message to organized crime
 - Set up successful international operations to dismantle organized criminal activity on the Internet and damage their businesses
