## The “Cyber Crime Fusion Centre”

The CCFC is the RCMP cornerstone for developing a comprehensive approach to cybercrime in Canada.

1. Exclusively administrative in nature.
2. Secretarial support to the RCMP's internal *Cyber Crime Council*
3. Partnering with the CACP on Cybercrime.
4. Source of RCMP “situational awareness”

## Strategic Perspectives

- **CCFC**
  - Annual Report on Cybercrime
  - Strategic Approach to Cybercrime (Business Case)
- **Coordination of federal Cybercrime Activities**
- **What's Needed:**
  - An up-to-date global consensus on Cybercrime definitions
  - Cost to Economy Studies (Canada)
  - Partnership with Private Sector
  - Capacity to "expedite" cybercrime investigations

## Cyber Security Strategy...to...Cyber Crime Strategy (an integrated Business Case)
