

CENTER FOR JUDICIARY STUDIES
LISBON

INITIAL TRAINING

**Penal Law and Penal Proceedings - 9
hours**

Criminal Investigation Seminar – ½ day

**Information and Communication
Technologies – 9 hours**

CONTINUOUS TRAINING on CYBERCRIME

1 to 2 (per year)

seminar or conference or workshop

**elearning program:
on new technologies and courts**

concern and objective:

- provide to all the judges and prosecutors a minimum standard of knowledge and information on cybercrime

but there is more:

- update on cybercrime matters
- great specialization of a more small number of prosecutors and judges

and besides,

- need of debate of the more recent trends and challenges
- advantage in the coordination between training programs
