

# Adam: The new *virtual* colleague in the EYF team

Hello! 😊  
My name is **Adam**, I'm a new  
virtual colleague in the EYF  
team. My duty here is to help  
both the organisations and the  
secretariat.

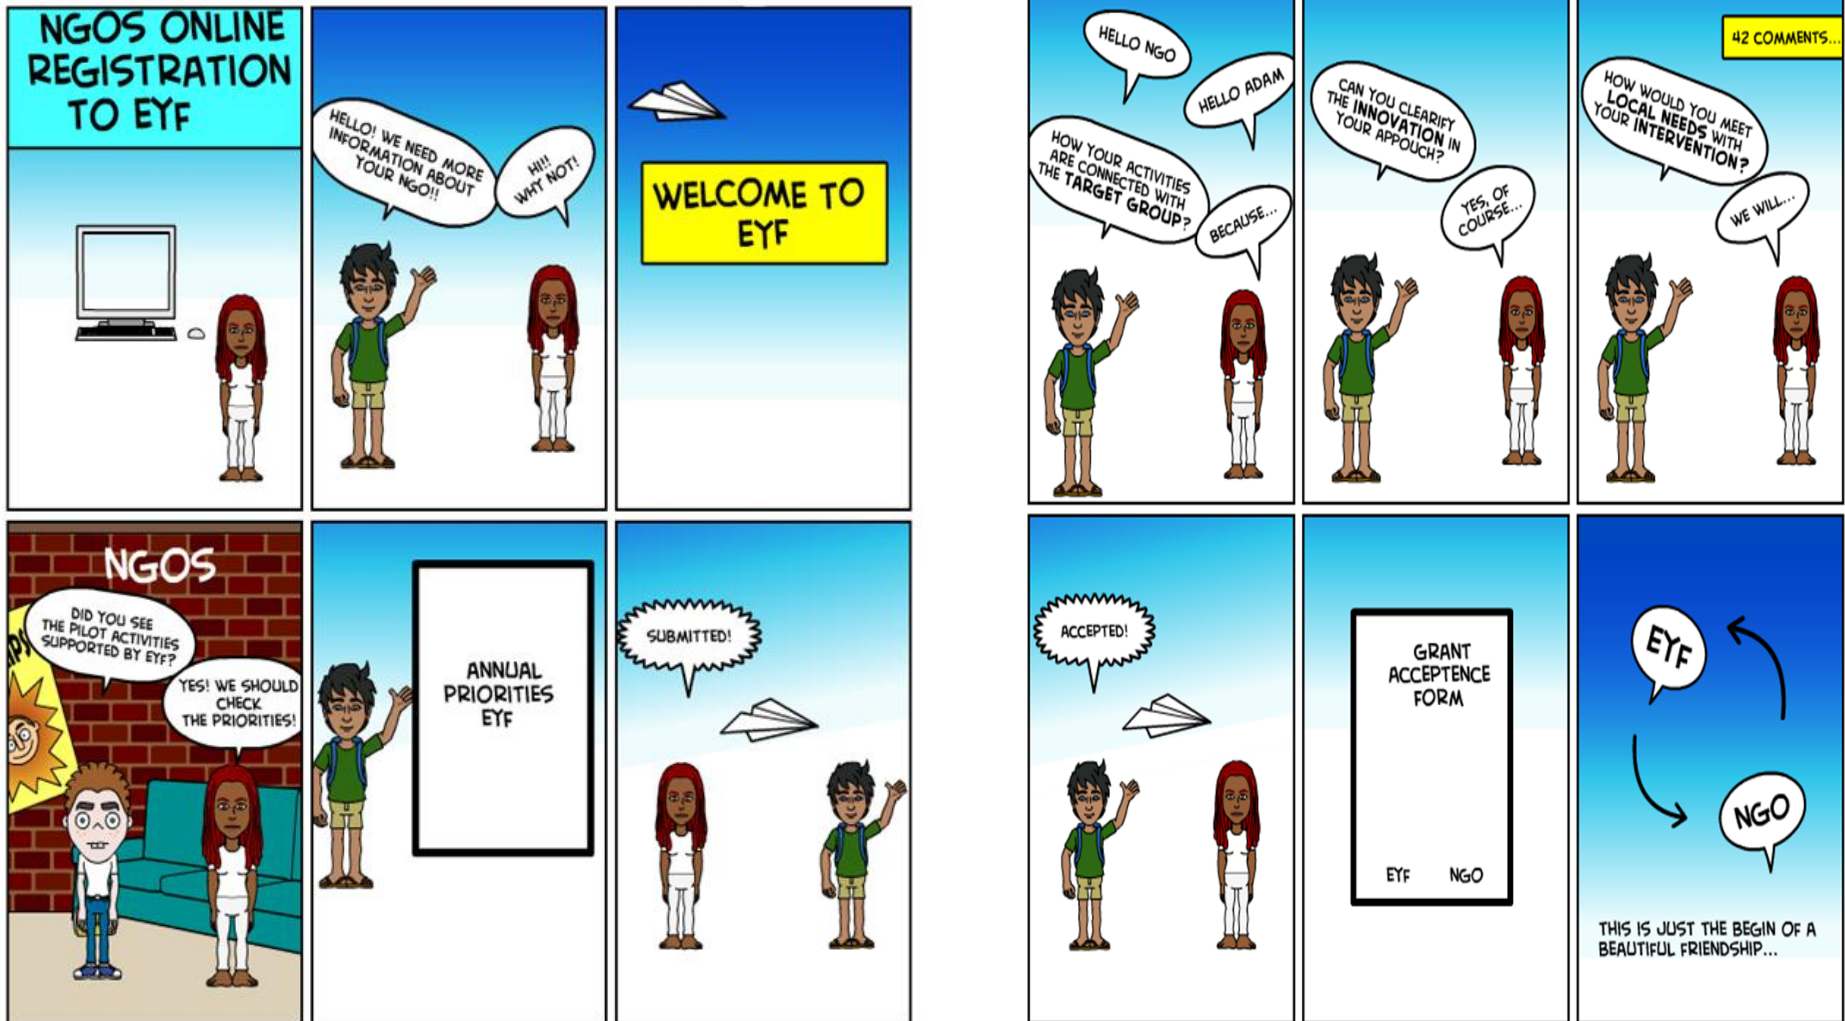

# Possible interactions

- Comics that will be support for new organisations on how to use the online platform, how to go through a project cycle;
- Introduce the EYF Staff to the local and international organisations (interviews);
- Comic being a part of the EYF monthly newsletter;
- Adam can also be used as a tool for the beneficiary organisations (visibility).

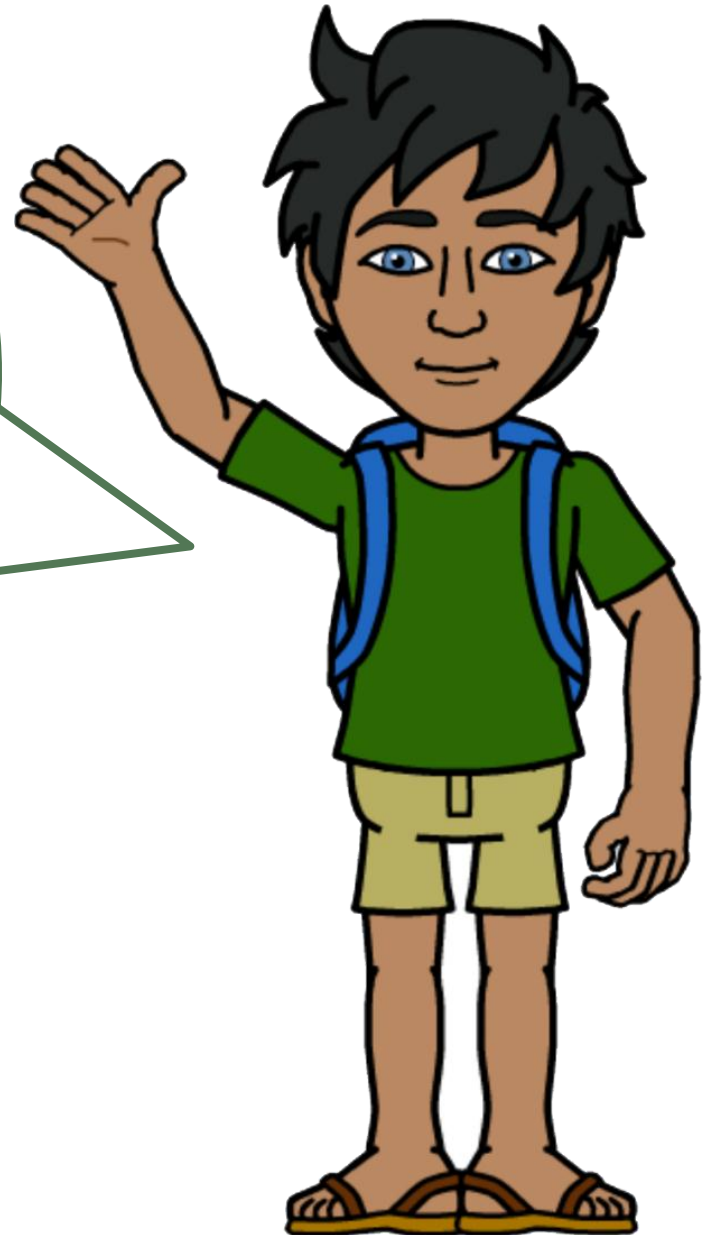

# Example: Comic Strip

'EYF 2 WAY COMMUNICATION'

I can also help in project visits. I will try to be in 10 places every month. My visits will raise visibility both of the NGOs and the EYF.

# Example: Project Visit

Look where I am: at the  
EYF (Re)Generation
