

**Text on the Council of Europe to be included in ELP models for young learners**

(Country) is a member of the Council of Europe, which makes it part of a family of 47 countries stretching all the way from Iceland to Azerbaijan. The millions of young people who live in those countries share many experiences and interests but also have different languages, cultures and histories.

The Council of Europe aims to help you to understand and respect other people and the things that make them different. Your European Language Portfolio is designed to help you to learn new languages and understand other cultures.
