Council of Europe  
Strasbourg

The information submitted by Article 19 about Emin Milli to the Platform is not based on facts and does not reflect the truth. It is not appropriate that Article 19 has submitted such biased information without any clarification and such a prominent organization like the Council of Europe has uploaded such a groundless alert in the Platform of the Protection Journalism and the Safety of Journalists launched as a partnership and constructive cooperation mechanism between CoE and the member states.

There were no facts provided by Mr. Milli proving his claims and no complaint was lodged by him with the law-enforcement agencies of the Republic of Azerbaijan.
