

Disaster Risk Reduction for Teachers Course

PART ONE

Presentation of the course

Organiser /Host

- Organised in the framework of the Disaster Preparedness and Prevention Initiative for South Eastern Europe (DPPI SEE); www.dppei.info
- Host: National Protection and Rescue Directorate of Croatia
- Two DRR courses for teachers (2014, 2015)
- DRR Course for Principles (2016)

The COURSE:

- Provides basics on DRR concept and guidance;
- Leads to understanding of the key aspects and activities of response and recovery
- Builds upon participants' newly acquired knowledge of DRR issues in practical terms to their day-to-day work with children
- Allows participants to apply practice to a case study culminating in a school age appropriate DRR inclusive lecture at the end of the course

OBJECTIVES

- Introduce: UNISDR, HFA, Sendai Framework
- Illustrate the role of different stakeholders in DRR
- Establish connection between DRR and school curricula
- Help teachers develop an understanding of the link between DRR and everyday school lessons
- Mainstreaming of DRR in different school subjects

TARGET AUDIENCE

- Teachers in lower elementary (6 – 9)
- Geography teachers

PARTICIPANTS AND FACILITATORS

PART TWO

Background/ Theory/ Practice

Background:

DRR AND CHILDREN/ DRR IN SCHOOLS

- Why?
- Formal education
- Informal education and communication
- Safe schools

THEORY: ORGANISATIONS, STRATEGIES, INITIATIVES AND DOCUMENTS

- UNISDR
- Hyogo Framework for Action
- Sendai Framework for DRR
- DPPI SEE
- UNICEF
- Red Cross

THEORY: SOME KEY WORDS

- Hazard vs Disaster
- Vulnerability
- Preparedness
- Mitigation
- Adaption
- Prevention

PRACTICE: COURSE METHODOLOGY

- Modular in design (*Lego Building Blocks*)
- Four groups
- Groups dynamic, topics, goals, teaching methods
- Outcomes

PART THREE

DRR and Montenegrin education system

WHY

PRESENT SITUATION

PREPARATIONS FOR INTRODUCTION OF DRR IN SCHOOL CURRICILUM/INSTITUTIONS

- Directorate for Emergency Management,
Ministry of Interior of Montenegro
- Bureau for Education, Ministry of
Education

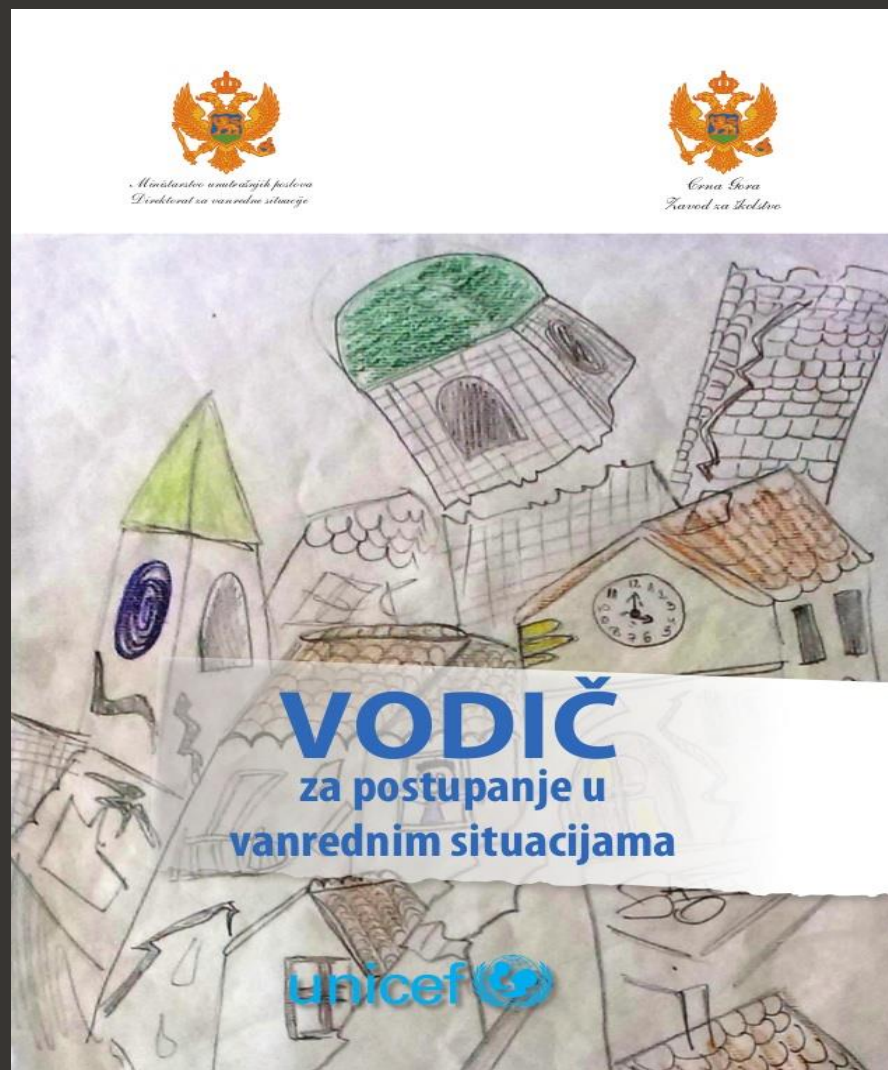

Directorate for Emergency Management - Pilot Activities
