In April 2014, the European Union and the Council of Europe agreed that targeted cooperation activities with Armenia, Azerbaijan, Georgia, Republic of Moldova, Ukraine and Belarus - the EU's Eastern Partnership countries - would be implemented under a 'Programmatic Cooperation Framework' (PCF).

These cooperation activities will strengthen the capacity of Eastern Partnership countries, which are member States of the Council of Europe, with the exception of Belarus, to implement domestic reforms to bring them closer to European standards in the fields of human rights, democracy and the rule of law.

The overall PCF budget for 2015-2017 is €33.8 million.
