

# 3<sup>rd</sup> Meeting of the Special Focal Points on IKB (Albania 14-15 April, 2016)

## Reporting Template on Wildlife Criminal cases and Statistical Reporting.

## Reporting on Criminal Cases on Bird Reporting

- ✓ Introduction
- ✓ Statistics are vital
- ✓ Overview of the situation (which violations are more frequent)
- ✓ To Assess effectiveness of personnel
- ✓ To have Comparable figures and Statistics among European countries.

# Type of Violation

Information to be reported.

Country: .....										
Area: ..... (Km sq.)										
Number of Wildlife Officers: .....										
	<b>Type of bird wildlife violation</b>									
Year: .....	Poaching (i.e. hunting in no hunting zones, hunting during the night, excess bag limit, hunting out of season, etc.)	Hunting with the use of sound devices, tape luring or any other mean of capture to attract birds prohibited under national and international law	Illegal Dog exercising (i.e. Exercise in protected areas or in out of season)	Illegal killing or shooting of protected species.	Intentional Poisoning	Trapping and / or possession of protected or huntable species with the use of any traps, limesticks, mistnets or any other mean of capture prohibited under national and international law	Serving / offering in restaurants of protected bird species	Wildlife trafficking (involves cases with transboundary aspect, i.e. violation of CITES).		TOTAL
A. Indicate <u>max. and min.</u> (if applicable) monetary fine and / or imprisonment allowed (if any), in the national legislation per type of violation										N/A
B. Indicate type of settlement: (i.e. Out of Court [OOC] settlement like on-the-spot-fine or administrative fine) OR Court Case, i.e. Judicial Case [CC].										N/A
C. Number of cases reported by law enforcement agencies, per year, per type of violation.										
D. Number of individuals reported by law enforcement agencies, per type of violation.										
E. i) Total amount of monetary fines imposed per type of violation										
E. ii) Indicate the number of cases which refers to E i), as it is logical and expected that the fines imposed will also refer to cases reported from previous years.										
F. Average monetary fine imposed per type of violation (this will be E i/E ii)										
G. Indicate whether a ny imprisonment has been imposed. If yes, indicate the number of imprisonment sentences per type of violation).										
H. Provide some details of imprisonment cases (if applicable): i.e. Period of imprisonment and some details on each case. (1-2 lines for each imprisonment case)										N/A

Note: This reporting / template should be filled out by the focal point of each Country involved by the end of February each year for the previous year involved at the latest. I.e for 2016 the form should be filled out and sent by the end of Feb. 2017.

# Reporting Template on Wildlife Cases

Country: .....

Area: ..... (Km sq.)

Number of Wildlife / Game wardens Officers employed for law enforcement: .....

Year: .....
