(2) Article 38 of the Criminal Law Convention on Corruption:

"Article 38 – Validity and review of declarations and reservations

- 1 Declarations referred to in Article 36 and reservations referred to in Article 37 shall be valid for a period of three years from the day of the entry into force of this Convention in respect of the State concerned. However, such declarations and reservations may be renewed for periods of the same duration.
- 2 Twelve months before the date of expiry of the declaration or reservation, the Secretariat General of the Council of Europe shall give notice of that expiry to the State concerned. No later than three months before the expiry, the State shall notify the Secretary General that it is upholding, amending or withdrawing its declaration or reservation. In the absence of a notification by the State concerned, the Secretariat General shall inform that State that its declaration or reservation is considered to have been extended automatically for a period of six months. Failure by the State concerned to notify its intention to uphold or modify its declaration or reservation before the expiry of that period shall cause the declaration or reservation to lapse.
- 3 If a Party makes a declaration or a reservation in conformity with Articles 36 and 37, it shall provide, before its renewal or upon request, an explanation to GRECO, on the grounds justifying its continuance."
