NOTE

Based on the information currently at its disposal, the Advisory Committee considers that implementation of certain articles does not give rise to any specific observations.

This statement is not to be understood as signalling that adequate measures have now been taken and that efforts in this respect may be diminished or even halted. On the contrary, the nature of the obligations of the Framework Convention requires a sustained and continued effort by the authorities to respect the principles and achieve the goals of the Framework Convention. Furthermore, a certain state of affairs may be considered acceptable at one stage but that need not necessarily be so in further cycles of monitoring. It may also be the case that issues that appear at one stage of the monitoring to be of relatively minor concern prove over time to have been underestimated.
