Choose one word a), b), or c) for each gap and mark the letter in the space on the answer paper. The first one is done for you. (note: correct answers are randomized in operational test)

Dear Sarah,

How are you? I'm fine. I'm a wonderful time in France. My course is great and I'm enjoying learning French. Paris is a very old and city. There are lots of beautiful old buildings to visit. I am staying with a French family. They are very and I feel very welcome in their house. I usually have dinner with the family in the evening. They don't speak English so I can my French. The other students in my are friendly. They are from all around the world. At the weekend we are to go out together to watch a film.
