Listen to a boy talking about his friends' collections and match what he says (1-5) with pictures A-F, as in the example.

- EX.** *Tom collects shells from the beach and uses them to decorate his room.*
- 01.** *Susan loves things made out of glass, so she collects all kinds of objects made out of glass....*
- 02.** *I'm not sure why Peter collects them, but he pins them on the wall of his room... I suppose to remind him of the places he's traveled to.*
- 03.** *Maria has a wonderful collection of rare stamps. She orders them from the internet.*
- 04.** *George's comic strip collection is great. But he also has a collection of comic characters...*
- 05.** *Helen's got a collection of stationery. She doesn't use it to write on, she just saves it.*
