

Habitats Reference List

CODE	Title	CH ALP	CH CON
C1.1	Permanent oligotrophic lakes, ponds and pools	X	X
C1.222	Floating [<i>Hydrocharis morsus-ranae</i>] rafts	X	X
C1.224	Floating [<i>Utricularia australis</i>] and [<i>Utricularia vulgaris</i>] colonies	X	X
C1.25	Charophyte submerged carpets in mesotrophic waterbodies	X	X
C1.3411	[<i>Ranunculus</i>] communities in shallow water		X
C1.3413	[<i>Hottonia palustris</i>] beds in shallow water	X	X
C1.44	Charophyte submerged carpets in dystrophic waterbodies	SR Ref	SR Ref
C2.12	Hard water springs	X	X
C3.41	Euro-Siberian perennial amphibious communities	X	X
C3.511	Freshwater dwarf [<i>Eleocharis</i>] communities	X	X
C3.5132	Swards of small [<i>Cyperus</i>] species	X	X
C3.5133	Wet ground dwarf herb communities	X	X
C3.55	Sparsely vegetated river gravel banks	X	X
C3.62	Unvegetated river gravel banks	X	X
D2.3	Transition mires and quaking bogs	X	X
D4.1	Rich fens, including eutrophic tall-herb fens and calcareous flushes and soaks	X	X
D4.2	Basic mountain flushes and streamsides, with a rich arctic-montane flora	X	
D5.2	Beds of large sedges normally without free-standing water	X	X
E1.112	[<i>Sempervivum</i>] or [<i>Jovibarba</i>] communities on rock debris	X	X
E1.2	Perennial calcareous grassland and basic steppes	X	X
E1.71	[<i>Nardus stricta</i>] swards	SR	SR
E3.4	Moist or wet eutropic and mesotrophic grassland	X	X
E3.5	Moist or wet oligotrophic grassland	X	X
F4.2	Dry heaths	X	X
F9.1	Riverine scrub	X	X
G1.11	Riverine [<i>Salix</i>] woodland	X	X
G1.12	Boreo-alpine riparian galleries	X	X
G1.21	Riverine [<i>Fraxinus</i>] - [<i>Alnus</i>] woodland, wet at high but not at low water	X	X
G1.51	Sphagnum [<i>Betula</i>] woods	X	X
G1.6	[<i>Fagus</i>] woodland	X	X

CODE	Title	CH ALP	CH CON
G1.7	Thermophilous deciduous woodland	X	X
G1.8	Acidophilous [Quercus]-dominated woodland	X	
G1.A1	[Quercus] - [Fraxinus] - [Carpinus betulus] woodland on eutrophic and mesotrophic soils	X	X
G1.A4	Ravine and slope woodland	X	X
G3.1B	Alpine and Carpathian subalpine [Picea] forests	X	X
G3.1C	Inner range montane [Picea] forests	X	
G3.21	Eastern Alpine siliceous [Larix] and [Pinus cembra] forests	X	
G3.22	Eastern Alpine calcicolous [Larix] and [Pinus cembra] forests	X	
G3.31	[Pinus uncinata] forests with [Rhododendron ferrugineum]	X	X
G3.32	Xerocline [Pinus uncinata] forests	X	X
G3.E	Nemoral bog conifer woodland	X	X
H1	Terrestrial underground caves, cave systems, passages and waterbodies	X	X
X04	Raised bog complexes	X	X
