

- *Necessary formalities and procedures under the law of the requesting State and guidance*
- 

It should be specifically stated on the form if a requesting State wishes that the requested State follows specific procedures and requirements to execute the request. In addition, in accordance with the 2<sup>nd</sup> Additional Protocol, the wording of applicable provisions should be included as well as guidance on their application which may be restricted if such procedures and requirements are contrary to the fundamental principles of the legal system of the requested State.
