AIM AND OBJECTIVES

The seminar will identify and prepare the main support measures for the implementation of the Recommendation CM/Rec(2015)3 on the access of young people from disadvantaged neighbourhoods to social rights.

The objectives of the seminar are:

1. explore current situations of young people affected by discrimination, exclusion and violence and the responses to such issues;
2. develop participants' understanding and knowledge of the Recommendation CM/Rec(2015)3 and the Enter! project of the Council of Europe;
3. make proposals for the support measures and activities for the implementation of the Recommendation CM/Rec(2015)3, in particular the long-term training course and related actions, and identify potential partners and roles;
4. prepare the process and milestones for the 1st review of the Recommendation.
