

Welcome to Workshop 1

The National Landscape Policy of Armenia

Chairs

Mrs Ruzan ALAVERDYAN

Mr Audun MOFLAG

First: A short briefing on issues and procedure

A unique opportunity

For exchanging experiences and best practice – that may generate:

- new understanding,
 - new approaches, and
 - new incentives
- to the benefit of everybody.

Focus here

What can we learn from the Armenian experience?

How do the Armenians establish and implement policies aiming at landscape protection, management and planning?

(see Article 5 b and Article 6)

10:05

Discussion

Issues of mutual benefit

- Highlight important stages in evolving or implementing the policies, for example:
- Good experiences/ recommendations that you would like to share
- Obstacles or problems that you have encountered in your work
- Questions that you would like to ask the other participants

Then, time for lunch!
