

## 5-year Master Plan for Manpower Cultivation

### ☉ Fostering IT dedicated investigators

- Curriculums are divided into 3 levels : basic, intermediate and advanced
- Manage training histories & lead investigators to acquire certification

### ☉ Customized training for field offices

- Train prosecutors and investigators dealing with specific offences such as voice phishing and online drug trade
- Visit field offices to deliver training on demand

### ☉ Cybercrime dedicated prosecutors

- 62 prosecutors are designated over the nation
- Regular workshop for dedicated prosecutors

## Overseas Lawyers Invitation

- Invite people in the legal profession abroad
  - 315 judges, prosecutors and investigators from 26 countries visited SPO in 2015
  - Provide training for cybercrime investigation as well as digital forensics
