

KEEPING
QUIET BELONGS
TO THE PAST.
**IT'S TIME TO
SPEAK UP!**

European Charter for Regional or Minority Languages

- ▶ For a long time minority languages could only be spoken in the family.
- ▶ Today, the Charter obliges the authorities to ensure that our language is used everywhere in public again.
- ▶ You too can use our language, with the authorities, in shops, in hospitals, for family and place names, etc.
- ▶ **Have your say!**
