C. EXPECTED DELIVERABLES/SERVICES

Background of the Project

The JUSTROM programme is a joint programme of the European Commission and the Council of Europe on Roma and Traveller women's access to justice in Bulgaria, Greece, Ireland, Italy and Romania.

The JUSTROM programme aims to improve the access to justice of Roma and Traveller women in the five countries. As such, the programme aims to empower Roma and Traveller women to adequately address discrimination and other human rights violations committed against them, including early/forced marriage, trafficking, domestic violence, housing evictions, police abuse and hate crime by raising their awareness about discrimination, complaint mechanisms, the justice system and human rights institutions.

In each country, the programme will provide legal information, advice, aid and/or representation through setting up legal clinics/centres, each of which will be supported by a national coordinator, a mediator/facilitator, one or more lawyer(s) and one or more legal assistant(s). The programme will thus further facilitate access to court and court proceedings at national and international level. In addition, it will aim to enhance the capacity of the judiciary and law enforcement in the application of anti-

discrimination standards with a focus on multiple discrimination, gender equality and Roma and Traveller women. The programme will further increase the synergy and coherence between the institutional frameworks of the EU and Council of Europe, national Roma integration strategies and civil society initiatives. **In Italy, two legal clinics will be established, located in Naples and Rome respectively.**

Object of the consultation

The Council of Europe is organising **an invitation to tender** with a view to awarding a Framework Contract (hereafter referred to as the "Contract") for consultancy services in the context of the JUSTROM programme in **Italy**. This call relates specifically to consultancy services to be provided by Service Providers who will act as **lawyers/jurists**.

The present tendering procedure aims at selecting Service Providers for 2 (two) lots:

- **Lot 1:** consultancy services as lawyer to be provided at the legal clinic in Naples;
- **Lot 2:** consultancy services as lawyer to be provided at the legal clinic in Rome.

The Council will select through this procedure a maximum of 3 (three) Service Providers for Lot 1, and a maximum of 3 (three) Service Providers for Lot 2, provided enough offers fulfil the criteria indicated below.

Tenderers are invited to indicate which lot(s) they are tendering for (see Section A of the Act of Engagement), however, the Council reserves the right to assign a Service Provider to a Lot other than the one he/she tendered for.

The framework contract is concluded until 30 December 2017.

The Contract is currently estimated to represent for each Service Provider **up to 8 hours a week x 4 weeks a month x 10 months (up to 320 hours in total between February 2017 and December 2017)**. Should the legal clinic start later than February 2017, the ending date will be postponed accordingly to respect the 10 month duration.

This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of monthly hours, depending on the evolving needs of the Organisation. **Under no circumstances the total (cumulative) cost of the framework contract for lawyers/jurists for the JUSTROM Programme in Italy will exceed 51,200 EUR (tax exclusive).**

Expected services

Tenderers may be asked to:

- Work closely with the national coordinator, the legal assistant and the mediator;
- Submit a report to the national coordinator on a monthly basis;
- Signal with the national coordinator any administrative obstacles related to the work of the legal clinic;
- Access the Roma and Sinti communities targeted with the assistance of the mediator and paralegal, as needed;

- Identify and launch strategic litigation cases with a particular focus on issues faced by Roma and Sinti women (based on discussions with the national coordinator, stakeholders and the JUSTROM Project Manager); the lawyer shall be under a moral obligation to continue representing the plaintiffs to the best of his/her abilities and subject to his/her time availability even after the end of the programme; the Council of Europe, on its part, shall make every reasonable effort to ensure the provision of support and assistance to the lawyers after the conclusion of the programme;
- Implement ADR (alternative dispute resolution) whenever possible to avoid trial;
- Signal administrative or legal obstacles stemming from the substantive work of the legal clinic, which would require further lobbying and discussions with key stakeholders;
- Provide directions to the legal assistant towards developing and maintaining a data system of those assisted by the clinic under the instruction of the national coordinator;

In terms of **quality requirements**, the selected Service Providers must ensure, *inter alia*, that:

- The services are provided to the highest professional/academic standard;
- Any specific instructions given by the Council of Europe – whenever this is the case – are followed.

D. FEES

Tenderers are invited to indicate their hourly fee, by completing and sending the table of fees, as attached in Section A to the Act of Engagement, keeping in mind the exclusion level, i.e. the maximum hourly fee that the JUSTROM programme can provide. Tenders proposing a fee above the exclusion level indicated in the Table of fees will be **entirely and automatically** excluded from the tender procedure. This hourly fee is final and not subject to review. The Council of Europe will indicate on each Order Form (see Section E. below) the global fee corresponding to each deliverable, calculated on the basis of the hourly fee, as agreed by this Contract.

E. HOW WILL THIS FRAMEWORK CONTRACT WORK? (ORDERING)

The tenders of the Service Providers will be assessed by the Council of Europe secretariat, a scoring system will be applied, and a list of successful consultants for each lot drawn up in order of merit.

Once this consultation and the subsequent selection are completed, you will be informed accordingly.

Services will then be carried out on the basis of Order Forms submitted by the Council to the Service Providers on **an as needed basis**. Orders will be submitted the third week of each month by the Council of Europe by post or electronically. Orders will be addressed in priority to the first Service Provider on the ranking list of the tender for the relevant lot. **The first-ranked Service Provider must submit a weekly working programme for the forthcoming month for approval to the national coordinator. The Service Provider must also sign and return the order form to the JUSTROM project manager** (scanned document sent by email is accepted) **within 2 (two) working days** after its reception, accompanied with the approved weekly working programme for the forthcoming month by the national coordinator. If he/she does not respond within this deadline, the Council of Europe may then submit an order to the next-ranked consultant for that lot, and so on down the list. The Service Provider ranked second for each lot will therefore only be called upon if the Service Provider ranked second does not accept an order within the required timeframe, or if the contract with the Service Provider ranked first is terminated (see section C, Legal Conditions, of the Act of Engagement).

The Council reserves the right to order services from Services Providers on the list established for another lot in cases where no providers for the relevant lot accept a particular order within the required timeframe.

The Service Provider, **if subject to VAT**, shall also send, together with the signed Form, a quote¹ (Pro Forma invoice) in line with the indications specified on each Order Form, and including:

- the Service Provider's name and address;
- its VAT number;
- the full list of services;

- the total amount per type of service (in the currency indicated on the Act of Engagement, tax exclusive);
- the total amount (in the currency indicated on the Act of Engagement, tax exclusive).

An Order Form is considered to be legally binding when the Order, signed by the Service Provider, is approved by the Council, by displaying a Council's Purchase Order number on the Order, as well as by signing and stamping the Order concerned. Copy of each approved Order Form shall be sent to the Service Provider, to the extent possible on the day of its signature.
