
**“Revision of the Congress Charter: proposals for a sustainable future”
Congress of Local and Regional Authorities of the Council of Europe
Recommendation 425 (2018)**

(Reply adopted by the Committee of Ministers on 15 January 2020
at the 1364th meeting of the Ministers' Deputies)

1. The Committee of Ministers has carefully considered Congress Recommendation 425 (2018) on the “Revision of the Congress Charter: proposals for a sustainable future”. In the light of the budgetary challenges facing the Council of Europe, it welcomes the fact that the Congress has launched its own reform process, with a view to safeguarding its functioning, sustainability and capacity to fulfill its statutory missions in the future.
2. Taking into account the proposals contained in the recommendation, the Committee of Ministers has adopted, under decision CM/Del/Dec(2020)1364/2.4, a revised version of the Congress's Statutory Resolution and of its Charter, as it appears in Statutory Resolution CM/Res(2020)1.
