

Digital civic space

Working session

Thursday 11 April 2019

AGORA Room G 03

14.30 - 15h15 – Impulse introduction by Karl Donert, Vice-Chair of the Education and Culture Committee, coordinator of the transversal working group on Digital Citizenship; Peter Andre, Chair of European Committee on Democracy and Governance (CDDG) and Patrick Penninckx, Head of the Department Information Society, Council of Europe

15.15 – 16.45: Three discussion groups

French G01 : lamvi Totsi

English G02: Gerhard Ermisher

FR / EN translation G03 : Katarzyna Sokolowska

Each group is invited to choose 2 topics for discussion in order to propose the recommendations:

1. freedom of expression – establishing an open free Internet and the right to information
2. access to information and knowledge – big data and open data and right to information and privacy
3. impact of digital on cultural and linguistic diversity
4. digital civic spaces and the right to freedom of association, assembly, movement
5. using digital to help establish quality education for all
6. the key functional and structural impacts on NGOs and choices for NGOs concerning digital space

16.45: break

17.00-18.00: Meeting of the moderators / rapporteurs of the discussion groups in view to prepare the restitution during plenary meeting of the Conference of INGOs
