

ENI SEIS EAST II project

**CONVENTION ON THE CONSERVATION OF EUROPEAN WILDLIFE
AND NATURAL HABITATS**

**First workshop on reporting
under Resolution No. 8(2012) of the Bern Convention**

17-18 April 2018

European Environment Agency,
Kongens Nytorv 6, Copenhagen

Conference Room

Draft Agenda

Workshop documents:

Documents will be made available at the following link:

<https://eni-seis.eionet.europa.eu/east/areas-of-work/communication/events/project-related-events/biodiversity-training-on-reporting-to-the-emerald-network/reporting-workshop-documents>

- Draft agenda
- Emerald reporting format
- Guidelines for Emerald reporting
- Pan-European 10 x 10 km grid per country on EEA CDR (ENI countries)
- Pan-European 10 x 10 km grid per country on the EEA website (Eionet countries)
- Guidelines for converting the national distribution maps into the 10 x 10 km projection grid

In preparation for the GIS part of the meeting, please fill in the following questionnaire:

<https://goo.gl/forms/HJKvCk0lyC4eq5tB2>

* This workshop is organized as part of a collaboration between the European Environment Agency (partly with funding from the ENI-SEIS II East project of the European Union) and the Council of Europe, with support from partner organizations of the European Topic Centre on Biological Diversity.

Implementation of the Shared Environmental Information System principles and practices in the Eastern Partnership countries (ENI SEIS II East)

<i>1st day, Tuesday 17 April 2018 Conference room (09:30-17:30)</i>			
Time	Item no.	Agenda item	Presenters
09:30-09:40	1	<ul style="list-style-type: none"> Opening session 	Galina Hristova
9.40 – 11.00		General Session on reporting	Moderator: Marc Hory
	2	<ul style="list-style-type: none"> Introduction to the workshop General introduction to reporting process, purpose and main outcomes at EU level Overview of the Emerald reporting format 	Marc Hory Eleni Tryfon Marc Roekaerts
11.00 – 11.20	Coffee break		
11.20 – 12.30	2	<ul style="list-style-type: none"> Main lessons learnt from EU on critical topics, interpretations of the format Experience from 2 EU Member States: UK and PL 	Doug Evans Tbc
12:30-14:00	Lunch break		
		General session on reporting (Continued)	Moderator: Marc Hory
14:00-15:30	3	<ul style="list-style-type: none"> Brief introduction to the reporting tool Specific discussion on habitats / species / reporting formats 	Sabine Roscher All
15:30-15:50	Coffee break		
15.50 – 17.30	3	<ul style="list-style-type: none"> Specific discussion on birds reporting format Preparation for the second workshop including definition of homework from countries which should include a reporting trial for 2 – 3 species / habitats Wrap up of the first day 	All Marc Roekaerts Marc Hory

<i>2nd day, Wednesday 18 April 2018 Conference Room (09:30-12:30)</i>			
Time	Item no.	Agenda item	Presenters
		Session on Spatial/GIS issues	Moderator : Mette Lund
9.30 – 11.00	4	<ul style="list-style-type: none"> • Introduction • Explanation on the Pan-European 10 x 10 km grid, including maps per country • Report on outcomes of the questionnaire to countries • Report by UK on their experience in converting their national grid to EU grid 	Sabine Roscher Christopher Philipsen Marc Roekaerts/ Juraj Lieskovsky Stephen Grady
11:00-11:20	Coffee break		
11:20-12:20	4	<ul style="list-style-type: none"> • Presentation of the range tool • Hands-on training session based on sets of national data 	Tbd All
12:20-12:30	5	Conclusions of the workshop including list of follow-up actions	

Function of presenters

European Environment Agency		
PAN programme: European Neighbourhood policy activities	Galina Hristova Nihat Zal	Head of group EEA Project manager- Water, biodiversity, land (ENI)
NSS programme: Biodiversity group	Eleni Tryfon Mette Lund	EEA Project officer - EEA Project officer - Biodiversity data and information systems
ETC/BD partner organisations		
MNHN	Doug Evans Sabine Roscher	Biodiversity senior Officer Data and Information System Manager
ILE-SAS	Marc Roekaerts Juraj Lieskovsky	Environmental consultant to ILE GIS officer
JNCC	Stephen Grady	EU Policy Advisor
S4E	Christopher Philipsen	Database manager, EO & GIS applications developer
