Notes:

Armenia, Croatia: Values 2008 are relatively low causing very important discrepancies in the time comparisons.

The change percentages are not presented in this table and have not been used in the calculation of the European central tendency indicators.

Russian Federation: the values presented in the table are cases referred to the supervisory review instance court and examined.

Numbers of cases examined by a judge of a supervisory review instance court in order to establish whether the matter is to be referred to the supervisory review instance court or not are as follow: (a)

Pending cases on 1st January 2008 =16,000; (b) Incoming cases =335,000; (c) Resolved cases =245,000; (d) Pending cases on 31st December 2008 =11,000.
