# **Instruments for Implementation of the Framework of Competences for Democratic Culture**

**“Human Rights and Democracy in Action”**

**EU/CoE Joint Programme for International Co-operation Projects**

**First Joint Coordination Meeting**

**31 January – 01 February 2017, Strasbourg**

# Overall Objectives

- To develop practical instruments with the participation of students and teachers for the implementation of the Framework of Competences for Democratic Culture
- To support teachers and school principals in their effort to provide students with Competences for Democratic Culture
- To support students to become information developers, to be able to develop video material featuring practical interpretations on competences

# Countries involved

- Andorra – Associated Partner
- Croatia - Participant
- Georgia - Coordinator
- Slovakia - Participant

# Activities

1. To make research for carrying out to ensure compliance with the existing context in the partner country
2. A methodological program entitled “Engage students to put CDC in school practice”
3. Creation of guidelines with practical suggestions and recommendations for teachers and students
4. Pilot-testing of the educational program which includes the organisation of workshops, seminars and trainings

# Activities

5. To film several student-made videos: students will express their views about the meaning of “democratic culture”
6. An online-platform will be produced to publish the audio-visual content
7. During the implementation of the project three coordination meetings with the representatives of partner countries will be organized

# Participating organisations

*Twenty – One  
organisations /institutions from four countries*

# Andorra - associated partner

- Ministry of Education and Higher Education – Coordinator
- Andorran School – Participant

# Croatia - participant country

- **CARNet** - the Croatian Academic and Research Network - Supporter
- Education and Teacher Training Agency - Participant
- Ministry of Science, Education and Sports - Supporter
- Network of teachers county coordinators for Citizenship Education - Implementation body
- National Children's Council – Supporter
- The Children's Forum of Croatia - Supporter

# Georgia - coordinator country

- National Center for Teachers Professional Development – Coordinator
- Ministry of Education and Science of Georgia – Supporter
- Microsoft Georgia - Supporter
- Human Rights Association - Participant
- Civic Education Teacher Forum - Participant

# Slovakia – participant country

- National Lifelong Learning Institute - coordinator
- National Commission for Human Rights Olympics in Slovakia – supporter
- Helsinki Committee for Human Rights in Slovakia - participant
- UNESCO Chair for Human Rights Education, Comenius University, Bratislava - participant
- Independent Platform for European Dimension in Education, Slovakia - participant
- TEUS, Teachers for European Union, Slovakia - participant
- Academia Istropolitana NOVA – participant
- Ministry of Education, Research, Science and Sport in Slovakia - supporter

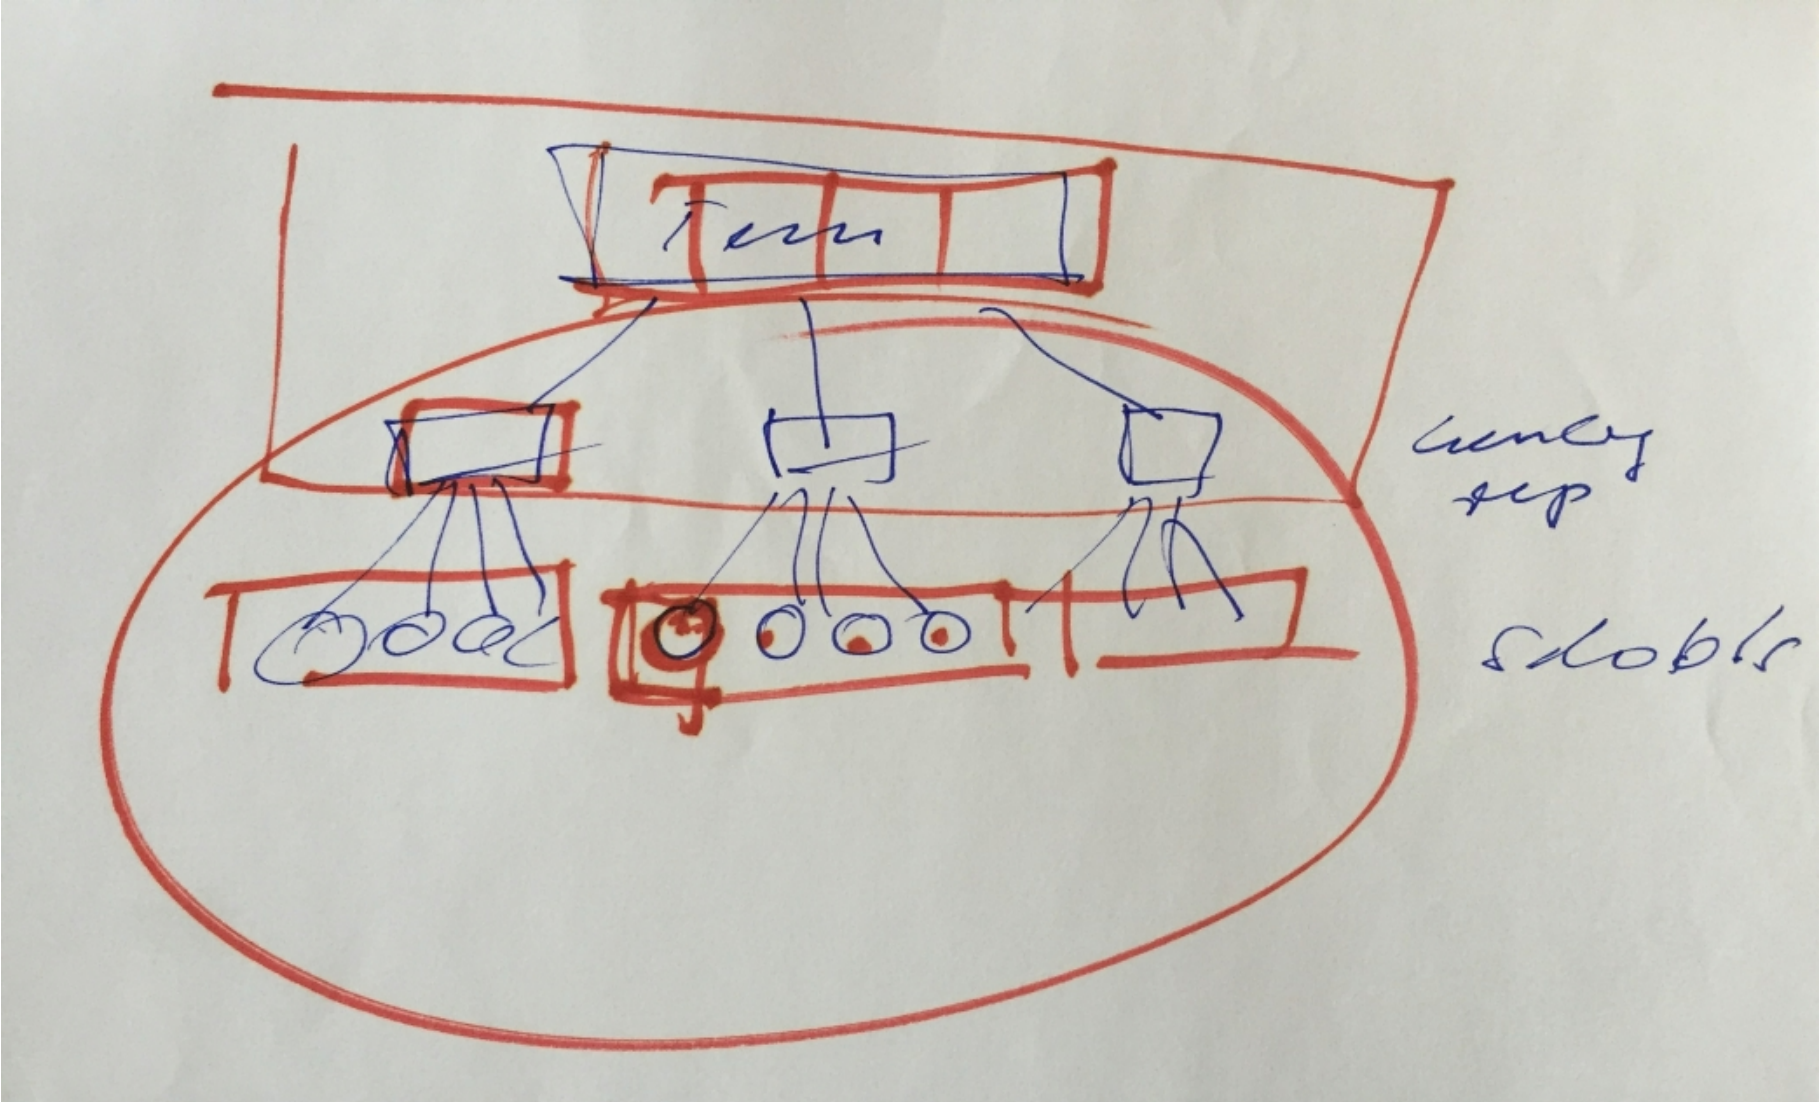

# Expected results

- Research in the contexts existing in the partner countries
- The Methodology/guidelines for teachers and students
- The training program for practical implementation of CDC - “Engage students to put CDC in school practice”
- Online Platform with the resources produced by the students (videos and other digital resources)

# Potential impact of the project

- The project will contribute not only for implementing CDC, but will be used as an instrument for implementing the Charter itself
- Practical pedagogical resources will be developed, which will facilitate member states' compliance with the commitments under the Brussels Declaration in the process of practical implementation of CDC
- EDC/HRE manuals and the outcomes of the 2013-2014 pilot projects can be considered as key resources for performing the activities envisaged by the Project
- Results expected to be achieved can be successfully used at different levels of education, including school education as well as higher and vocational education

# Instruments for Implementation of the Framework of Competences for Democratic Culture

***Thank you very much  
for your attention!***

***დიდი მადლობა  
ყურადღებებისთვის!***
