Compilation of relevant CoE standards

Carolina Lasén Diaz

Head of the Gender Equality Unit, Equality Division
Equality and Human Dignity Directorate
DGII

Council of Europe
Conseil de l'Europe

Presentation of compilation:

- Summary of key CoE references to inform of the work of the Drafting Committee
- Used as basis for references included in the Preamble (preliminary draft outline of Rec)
- Includes legally-binding instruments and soft standards of the CoE (intergovernmental work, Parliamentary Assembly and Congress of local and regional authorities) + an internal CoE Instruction of the SG on non-sexist language (1994)

Compilation (cont.)

- Reference document that will be kept under review and made available to members of the Drafting Committee
- Useful to get additional docs: Court factsheet on gender equality (and the version in our website)
- To be updated with 2 additional entries:
 - CoE Plan of Action on Strengthening Judicial Independence and Impartiality (April 2016)
 - CM Guidelines to MS on the Protection and Promotion of HH.RR. in Culturally Diverse Societies (March 2016)

New entries:

- **Action Plan on Judicial Independence and Impartiality (2016-2021)**
 - **Action 2.4**: “Measures should be taken to tackle the harmful impact of stereotyping on judicial decision-making” – “efforts should be undertaken to fight gender stereotyping within the judiciary”
- **Guidelines on Protection and Promotion of Human Rights**: references to gender equality (32), countering negative stereotypes (35), role of media (69), private sector (71) and education (73) in countering/breaking down negative stereotypes.
