**EXTRACT OF THE CDCJ MEETING REPORT CONCERNING
THE 31ST COUNCIL OF EUROPE CONFERENCE OF MINISTERS OF JUSTICE
(Vienna, September 2012)**

1. CDCJ took note of the proposals of the Austrian authorities in respect of the possible themes for the 31st Council of Europe Conference of Ministers of Justice (Vienna, September 2012), namely, a principal theme on the response of justice to urban violence and a possible sub-theme on corruption, in particular the seizure of assets.
2. CDCJ welcomed the proposals and thanked the Austrian authorities for them. The seizure of assets in the context of corruption appeared to some members of the committee of particular interest.
3. The committee took note of the new rules governing the holding of ministerial conferences and, subject to the Committee of Ministers giving its approval, instructed its Bureau to proceed with the preparation of the conference in co-operation with the Austrian authorities, the Bureaux of CDPC and CDDH as well as with the Secretariat, with particular reference to the future activities to be undertaken as a follow-up to the conference.
