Eurimages renews its commitment to gender equality

Strasbourg, 24.10.2017 - During its 148th meeting in Skopje ("The former Yugoslav Republic of Macedonia") on 20 October 2017, the Eurimages Board of Management adopted a strategy to promote gender equality in the European film industry with the title "Aiming for 50/50 by 2020".

This decision reflects the Fund's renewed commitment to address the problem of under-representation of women in European cinema. Through its implementation, Eurimages will confirm its place as a driving force for change, and will adopt a series of measures designed to promote gender equality and put greater spotlight on women both in front of and behind the camera.
