***Alna Environmental Park: a blue-green corridor of biodiversity, recreational opportunities
and sustainable urban water management***
Agency for Urban Environment, Municipality of Oslo, Norway

“Alna Environmental Park: a blue-green corridor of biodiversity, recreational opportunities and sustainable urban water management” contributes to the quality of the living environment of a large urban population who have been involved in securing the future of a peri-urban landscape. This significant achievement integrates a demonstrably sustainable development dimension for the benefit of present and future generations’ well-being.
