

# European Union and Council of Europe action to fight bullying and extremism in education system in Albania

The phenomenon of bullying in schools recognised by the new Law on the Rights and Protection of the Child

21 November: National Day against Bullying in School in Albania

Approximately **14 000** citizens reached through the National Day against Bullying and the anti-bullying open days in schools

**210** teachers from 21 pilot schools trained as change agents in preventing or reducing bullying in schools through an accredited programme

**66%** of the teachers in the project said that bullying decreased in their schools

**74%** of the teachers in the project confirmed that project had raised the awareness of parents

Subject on “bullying” introduced to the master programme “Administration of social institutions in the justice system”, in the Department of Sociology at the Faculty of Social Sciences, University of Tirana
