B. EXPECTED DELIVERABLES

Background of the Project

JUSTROM2 is an extension of JUSTROM, a European Commission and Council of Europe Joint Programme on Access to Justice for Roma and Traveller women. The first phase of JUSTROM confirmed that Roma and Traveller women lack adequate access to justice due to numerous factors, including lack of information and education (illiteracy), lack of identity documents, statelessness, poverty and debts, disability, victimization, lack of access to a lawyer and discrimination. JUSTROM2 will therefore continue to place at its core Roma and Traveller women in Bulgaria, Greece, Ireland, Italy and Romania, and to enlarge its scope of empowering Roma and Traveller women by facilitating mentoring and promoting active citizenship in co-operation with Roma and Traveller women's associations and networks.

JUSTROM2 will also continue to involve and target equality bodies, national human rights institutions and National Roma Contacts Points (NRCs) and members of the Council of Europe Ad Hoc Committee of Experts on Roma and Traveller Issues (CAHROM) in dealing with non-discrimination cases related to Roma and Travellers, in line with their mandates and priorities. For this reason, JUSTROM2 will seek to strengthen links, exchanges and partnerships with and among actors at different levels, such as local, national, regional, supra-national and European level, including local and central government institutions, human rights organisations, equality bodies, Bar associations and legal aid bureaus, Roma and Traveller women non-governmental organisations and Roma and Traveller communities themselves. These will create an inclusive and enabling environment leading to accountability and sustainable change in Roma and Traveller communities.

During the implementation of JUSTROM, particular issues were identified in each country. In JUSTROM2, such issues will therefore be prioritised, although the legal clinics will keep on addressing all cases brought by the communities. Thus, in Greece, the project will focus, *inter alia*, on access to identity documents and legal aid, on child protection/child removal and debts to public authorities.

JUSTROM2 maintains its long-term objectives, including a) support the empowerment of Roma and Traveller women through increasing their awareness about discrimination, complaint mechanisms, the justice system and human rights institutions/equality bodies; b) increase the number of cases of discrimination against Roma and Traveller women admitted by human rights institutions, equality bodies and courts; c) enhance professional resources used at national level by the judiciary, law enforcement and NGOs/human rights advocates regarding the application of anti-discrimination standards with a focus on multiple discrimination, gender equality and Roma and Traveller women and d) increase synergy between the institutional frameworks of the EU and Council of Europe, including through NRCs and CAHROM, and with national and local authorities on national Roma integration strategies and civil society regarding access to justice.

The JUSTROM teams will consist of a lawyer, a legal assistant and a facilitator in each legal clinic, overseen by the National Coordinator. **In Greece, 3 legal clinics have been established in Athens/Attica, Thessaloniki and Xanthi, respectively.**

The present tendering procedure aims at selecting up to 3 Service Providers (provided enough tenders meet the criteria indicated below) in order to provide consultancy services as lawyer in the legal clinic set up **in Athens/Attica**.

This Contract is currently estimated to cover up to 12 days per month, for 11 months, between April 2018 and March 2019 (132 days in total). The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.
