Election of a vice president to the Board of INGO-Service:

Only one candidacy was received before 10 January 2017.

However, as this INGO was not an actual elected Board member by our Ordinary General Assembly, the application to the vice-presidency was not in order.

Preparation of the meeting of the General Assembly, 26 January 2017, Agora room G02: financial balance and moral report.

Marie-José SCHMITT, the treasurer, along with Mr. Philippe BURCKLE, chartered accountant, exposed their respective work and presented the financial report. Ms. SCHMITT, remarked that depending on the Chairmanship of the Committee of Ministers, the number of representations was high. The activity programme of the Cypriot chairmanship of the Committee of Ministers (22nd November 2016-19th May 2017) was very rich and it included many events at Nicosia. Regarding the next chairmanship of the Czech Republic, they had no information.

In 2015, the Secretariat had financed 12 persons to participate in governmental committees and 10 persons in high-level conferences.

In 2016, with the "new situation", in other words the 12 000€ transfer in order to finance 35 representations with an average of 2 days' duration. The details are written below:

- Ministerial conferences: Education (3) and Social Cohesion (2)
- <u>Steering committees:</u> North-South (3), Children rights (5), Migration (9), Social Charter (1), Human Rights- Bio (2), Human Rights Enterprises (1), Turkish NGO co-financing (1).

This is a non-exhaustive list of meetings in which the INGO conference has participated, it only accounts for the expenditures made by INGO Service.

In conclusion, Ms. SCHIMMIT stated the following:

- The costs of inviting an outside speaker to the Conference's plenary session are provided on the budget line "Bureau or Standing Committee". For 2017, there is a forecast of 3000€;
- The partial reimbursement of the INGO Service expenses by the Council of Europe, will no longer be based on the parity principle. Instead, it will be replaced by a grant of 12000 €

Anna RURKA stated that after next June's elections, a seminar was planned by the Standing Committee and Bureau, for the benefit of the new chairs and vice-chairs of the thematic committees. The seminar would take place on 7-8 October, and a financial contribution was requested from INGO Service for 2 nights of accommodation.

Laurent GREGOIRE stressed the importance of ensuring that expenditures were clearly presented so that INGOs could take full account of and adhere to the issues and plan of action of the Conference.

Validation of the contribution for 2017

The contribution amount would remain the same. This would be submitted to the General Assembly on 26 January 2017 for final adoption.

In 2016, 123 INGOs contributed with a total amount of 17 780€ (against 127 INGOs in 2015 with a total amount of 16 970€)

The Council of Europe would like to have statistics concerning the activity reports.

In addition, she highlighted Anna RURKA's intervention about the working dynamics engaged at the core of the INGO Conference, as well as the necessary support of INGO Service.

The provisional budget for 2017 would be 34 500€.
