Council of Europe Action against Economic Crime:

supporting implementation of GRECO's Recommendations

Council of Europe
Conseil de l'Europe

- **Initiated** as the work of a small team of practitioners in designing technical assistance activities against corruption, organised crime even before year 2000.
- **Objective:** cooperating closely with member states (especially new ones) in supporting their strategies, policies and actions against economic crime.
- Membership: **47 member states**, 28 of which are members of the EU.
- The **Action against Economic Crime and Corruption** is responsible for the CoE's cooperation and assistance related activities and reforms on: good governance, corruption, ethics, conflict of interests, money laundering, asset recovery, terrorist financing, organised crime and mutual legal assistance in criminal matters; as well as criminal law and judicial reforms pertaining such areas

Political Pressure
