A man with long, straight brown hair and a light beard stands in the center of the frame. He is wearing a thick, white cable-knit turtleneck sweater. He holds a stack of firewood, including several logs and split logs, against his chest. The background shows a rustic wooden building with a corrugated metal roof on the left and a dark wooden structure on the right. The lighting is soft and natural, suggesting an overcast day.

Estonians are very restrained in nature, with a tendency to cynicism and pessimism. We do not put much emphasis on leisure time and feel that indulging ourselves is somewhat wrong.

poker-faced

You never know if we're happy or sad. Or angry. Or excited. Most Estonians, including customer servants, hide their emotions extremely well and think that smiling too much is a sign of insanity.

An aerial photograph of a wide, sandy beach meeting a calm sea at sunset. The sun is low on the horizon, creating a bright, golden glow and a shimmering reflection on the water. A single, dark silhouette of a tree stands on the beach, its trunk extending down to the text below. The sky is filled with soft, wispy clouds in shades of orange, yellow, and light blue.
