Questions...

- Did you know these norms and standards? Did you know their content?
If so, to what extent do you apply them?
- Are there other normative frameworks that could be used by public authorities and sport organisations to address sexual violence against children in sport?

Questions...

- How can we provide support / help public authorities and sport organisations:
 - To have a better knowledge of existing standards and norms / to be (more) aware of them?
 - to comply (more closely) with them / to implement them in the field of sport?

Work in groups!

1. Read / re-read the content of the standard / norm
2. What are the obstacles / challenges that public authorities and sport organisations / you can face to apply this standard?
3. What are their / your needs? What kind of resources do you / they need?

Restitution in plenary

Setting up a pool of experts

Providing support to interested stakeholders when developing policies / measures /actions to address sexual violence against children in sport

Work in groups!

➤ WHO?

Who / What types of experts will join the pool? How will they be selected? Through a formal procedure? Through the PSS+ experts?

➤ WHAT?

What kind of support services and competences will (and will not) be offered? On which topics? Etc.

➤ HOW?

How will expert profiles be designed? What information is needed?

➤ Does it make sense to have a collective approach within the pool of experts? If so, what could be its added-value and purpose? What actions may be implemented?

Restitution in plenary

Conclusion

➤ Next steps

- Meeting report

- PSS+ website, twitter account and flyer

Spread them widely!

- Work on the the expected achievements internally (video-clip, guidelines / recommendations, pool of experts) until the next meeting.

We need your expertise in the meantime!

Next expert workshop: June 2017 in Brussels
