The **20th Council of Europe Meeting of the Workshops for the implementation of the European Landscape Convention “Council of Europe Landscape Award Forum of National Selections - 5th Session 2016-2017”**, is being organised in Daugavpils, Latvia on **19-21 June 2018**, by the Council of Europe – Secretariat of the European Landscape Convention, Directorate of Democratic Citizenship and Participation – in co-operation with the Ministry of Environmental Protection and Regional Development, Republic of Latvia and Daugavpils City Council, within the context of the Work Programme of the European Landscape Convention of the Council of Europe.

*

Introduction

As an international intergovernmental organisation created in 1949, and whose headquarters are located in Strasbourg (France), **the Council of Europe** has 47 member States: Albania, Andorra, Armenia, Austria, Azerbaijan, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Republic of Moldova, Monaco, Montenegro, Netherlands, Norway, Poland, Portugal, Romania, Russian Federation, San Marino, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, “the former Yugoslav Republic of Macedonia”, Turkey, Ukraine and the United Kingdom. Its main objectives are to promote democracy, human rights and the rule of law, and to seek common solutions to the main problems facing European society today.

The European Landscape Convention was adopted by the Committee of Ministers of the Council of Europe on 19 July 2000 in Strasbourg and opened for signature by the member States of the Organisation in Florence (Italy) on 20 October 2000, with the aim of promoting European landscape protection, management and planning and to organise international co-operation. It is the first international treaty to be exclusively devoted to all dimensions of the landscape. The convention applies to the entire territory of the Parties and covers natural, rural, urban and peri-urban areas. It concerns landscapes that might be considered outstanding, as well as everyday or degraded landscapes. To date, 39 Council of Europe member States have ratified the convention: Andorra, Armenia, Azerbaijan, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Republic of Moldova, Montenegro, Netherlands, Norway, Poland, Portugal, Romania, San Marino, Serbia, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, “the former Yugoslav Republic of Macedonia”, Turkey, Ukraine and the United Kingdom. Two States have signed the convention: Iceland and Malta.

Organised by the Council of Europe on a regular basis since 2002, **the Meetings of the Workshops for the implementation of the European Landscape Convention** aim to present new concepts and achievements in favour of the implementation of the Convention. They thus represent a genuine forum for sharing practices and ideas. Special emphasis is given to the experiences of the state hosting the meeting.

The following Council of Europe Meetings of the Workshops for the implementation of the European Landscape Convention have previously been organised:

Acknowledgments

The Council of Europe would like to thank the Ministry of Environmental Protection and Regional Development of Latvia and Daugavpils City Council for its co-operation. The organisers also thank the Daugavpils City Council for its hospitality and the Interreg Latvija-Lietuva Programme (European Regional Development Fund) for its sponsorship on this occasion.

Objectives

The European Landscape Convention provides for a Landscape Award of the Council of Europe that recognises policies or measures which local or regional authorities or non-governmental organisations have adopted to protect, manage and plan their landscapes, and which have proven to be lastingly effective and which can thus serve as an example to other territorial authorities.

On 20 February 2008 the Committee of Ministers of the Council of Europe adopted Resolution CM/(2008)3 on the rules governing the Landscape Award of the Council of Europe. The Award is given every two years by the Committee of Ministers, further to proposals from the Committee of Experts of the Council of Europe in charge of monitoring the implementation of the Convention.

The projects of high value achieved in the Member States of the Organisation on the occasion of the 5th Session of the Landscape Award of the Council of Europe – 2016-2017 – will be presented in this Meeting. They show that it is possible to promote the territorial dimension of human rights and democracy by improving the landscape features of people’s surroundings.

The Ceremony of the 5th Session of the Landscape Award of the Council of Europe will take place on this occasion.
