Main objectives	<p>The Project "Consolidating Ukraine's Justice Sector Reform" is a logical follow-up to boost some of the most important results of the Council of Europe/European Union (CoE/EU) Joint Project "Consolidation of justice sector policy reform in Ukraine" and is primarily focused on:</p> <ol style="list-style-type: none"> 1. assisting stakeholders in implementation of the Justice Sector Reforms Progress Review Methodology (PRM); 2. further consolidating the efforts of Ukraine in pursuing justice sector reforms. It will also help to measure the impact of reforms, as well as the CoE's and other international stakeholders' interventions in this area in Ukraine and informing the CoE and other international stakeholders on the course of reforms and further needs for support; 3. conducting an all-encompassing needs assessment for the Ukrainian National Bar Association in order to further assist the development of an independent and professional Bar in Ukraine.
Expected outputs and results	<ol style="list-style-type: none"> 1. To provide support to the Ukrainian stakeholders in coordinating the implementation of the Justice Sector (PRM) and namely: in gaining sufficient understanding of the use of PRM, implementing parts of the methodology and coordinating the collection and presentation of information under the PRM; 2. To conduct needs assessment of the Ukrainian National Bar Association (UNBA); 3. To design, develop and implement an online platform for collecting and coordinating information that comprises the (PRM) in order to duly inform the stakeholders and general public on the progress and positive outcomes of the justice sector reforms.
