SUGGESTIONS WHEN REVIEWING THE NATIONAL QUALITY LABEL AND QUALITY CRITERIA FOR YOUTH CENTRES:

- detail some criteria
- take into consideration all existing and acting youth centres of Ukraine
- add requirements for the qualification of YC staff
- add criteria to the work of the youth centre
- add resource capabilities
- add compliance with the needs and expectations of the target audience of the YC
- take into account the state of war
- add opportunities to involve young people in the process of establishing quality criteria.

NECESSARY SUPPORT FOR YOUTH CENTRES AND YOUTH SPACES FROM THE STATE

● COMMUNAL INSTITUTION

● NON-GOVERNMENTAL ORGANISATION

“What we would need support for, honestly, is technical equipment: mobile speakers, projectors, laptops. This is something that does not last 10 years, because it is constantly used ... And all the work at the moment has been transferred to an electronic format as much as possible and needs technical support”

[quote from an in-depth interview].

“Exchanges, forums, meetings ... In general, this is a dialogue between the government and the youth”

[quote from an in-depth interview].

“I am convinced that it is necessary to study constantly, because new tools are constantly coming out...”

[quote from an in-depth interview].
