A. Terms of reference/Table of unit fees

The Council of Europe is currently implementing the Joint Project on **Improving the Effectiveness of the Administrative Judiciary and Strengthening the Institutional Capacity of the Council of State**. In that context, it is looking for Provider(s) (see below) for the provision of printing and distribution/delivery services to be requested by the Council on an as needed basis, in compliance with the ordering procedure defined below.

Each time an order form is sent, the selected Provider undertakes to take all the necessary measures to send it signed to the Council within **2 (two) working days** after its reception.

Pooling

For each order, the Council will select from the pool of pre-selected tenderers for the lot concerned the Provider who demonstrably offers best value for money for its requirement when assessed – for the Order concerned – against the criteria of:

- quality (including as appropriate: capability, expertise, past performance, availability of resources and proposed methods of undertaking the work);
- availability (including, without limitation, capacity to meet required deadlines and, where relevant, geographical location); and
- price.

If a Provider is unable to take an Order or if no reply is given on his behalf within the above deadline, the Council may call on another Provider selected under that lot, using the same criteria, and so on until a suitable Provider is contracted.
