## **Election of the Chair of the Current Affairs Committee**

### Motivation Letter

In accordance with Article 14 of the Rules of Procedures of the Congress, I hereby present my candidacy for the position of Chair of the Current Affairs Committee for another two-year term.

Since my nomination to the Congress, I have been particularly interested in the thematic work carried out on issues that contribute to finding solutions to urgent political and social issues in this Committee. It is important for me to be part of an institution, a political family that strives to bring people together for peace.

The last two years have been extremely exciting for me as the Chair of the Current Affairs Committee and I believe we have done a significant amount of work on issues that are a priority for the Congress.

It would be a great honour if I could continue this work in the next two years.
