Data collection on hate crimes has **improved through stronger collaboration between public institutions and civil society organisations.**

42 police database operators received training to ensure **more accurate and efficient data collection on hate crimes.**

Police officers now have **better access to training resources on equality and non-discrimination**. An **updated trainers' kit was developed** with the General Police Inspectorate, and the **Manual for Police Education on Equality and Non-discrimination** is now available in **Romanian**.

About 300 legal professionals from national judicial institutions are now **better prepared to handle hate speech and hate crime cases**, in line with European anti-discrimination standards.

EUROPEAN UNION

COUNCIL OF EUROPE

CONSEIL DE L'EUROPE

Support for parents, civil society activists, experts, and representatives of anti-discrimination institutions **working with LGBTI children and teens** has **improved through awareness-raising initiatives and events**, including the 2024 International Felis Conference.

23 Roma community mediators
**strengthened their skills and
knowledge**, allowing them to
**better address discrimination
and advocate for Roma rights** at
national and local level.
