CO-ORDINATING COMMITTEE ON REMUNERATION REVIEW AT 1 JANUARY 1999 OF THE DAILY RATES OF SUBSISTENCE ALLOWANCE FOR STAFF OF THE CO-ORDINATED ORGANISATIONS

95th report

1. The Secretary General herewith submits to the Committee of Ministers, for approval, the 95th report of the Co-ordinating Committee on Remuneration (CCR/R(98)11).
2. The Co-ordinating Committee recommends that the Committee of Ministers approve, with effect at 1 January 1999, the new rates of the daily subsistence allowance set out in the tables attached to the report, noting that the rates expressed in US dollars for Albania, Bosnia and Herzegovina, Bulgaria, Croatia, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Mexico, Moldova, Poland, Romania, the Russian Federation, San Marino, Slovakia, Slovenia, "the former Yugoslav Republic of Macedonia" and Ukraine and also those for Turkey correspond to those in force in the United Nations system in September 1998.

3. Applying the rates of subsistence allowances in force in the United Nations System generally provides an adequate solution. It should be noted however that in respect of the Russian Federation, the amounts proposed for 1999 are significantly lower than those applicable in 1998. According to explanations given at the November 1998 meeting of the Co-ordinating Committee on Remuneration, this reduction was the result of reduced hotel prices negotiated between the United Nations and a number of hotel keepers in Moscow and St. Petersburg. Through the Inter-Organisations Section, Heads of Administration of the interested Co-ordinated Organisations are currently raising with the United Nations the question of a possible extension of those reduced prices to their staff. Should this not prove possible, an immediate application of the new rates for Russia would give rise to serious difficulties. It would be wise to provisionally keep in force the rates applicable in 1998.

4. The budgetary impact of the adjustment will be covered by the appropriations already approved for official journeys in the 1999 budgets.
