

Rencontres de la Dimension religieuse du dialogue interculturel

Exchange on the Religious dimension of the intercultural dialogue

Sarajevo 2015

Concrete tools from and for the civil society :

- Toolkit = process for dialogue without violence on sensitive issues.

Concrete tools from and for the civil society :

- Toolkit = process for dialogue without violence on sensitive issues.
- NGOs educating children from 7 to 11 years old to human rights, respect and dignity.

Concrete tools from and for the civil society :

- Toolkit = process for dialogue without violence on sensitive issues.
- NGOs educating children from 7 to 11 years old to human rights, respect and dignity.
- During the last symposium on hate speech / hate web we organised last Spring, one full day was dedicated to young people 11 to 18 years old with concrete workshop on line.

- Partnership between the INGOs Conference and Coexister 15 —> 35 years old.
- Training for trainer on the interconvictional dialogue. Dissemination through Europe during 3 years.

Conclusion

Convergence with

- The action plan of the Committee of Ministers
- The parliamentary alliance
- The work done by the Congress of local and regional authorities

Hope for a synergy between the project of platform mentioned by Ms Brasseur and the concrete implementation of tailor made tools by the Conference of INGOs.
