**LIST OF HERBS CLASSIFIED AS MEDICINES, MEDICINES SUBJECTED TO
PRESCRIPTION CONTROL AND HERBS THAT CAN BE USED IN FOOD**

Submitted by the Norwegian delegation
(05.09.2002)

Norwegian legislation.

The tables are based on Regulation 27 Dec. 1999 No. 1565 of Medicinal Product Classification, administered by the Norwegian Medicines Agency. The Norwegian Food Control Authority has rewritten the herbal list in Regulation No. 1565. Classifications done after December 1999 are added. This document has no legal force, and is only for information. The legal document can be found at www.lovdata.no/for/sf/hd/td-19991227-1565-0.html#4
