Participation

The conference will provide an opportunity for cybercrime experts from public and private sectors as well as international and non-governmental organisations from all over the world to share experience. High-level interventions are expected in the special event on 16 November. Participation is subject to registration. Working languages will be English, French and Spanish. Given the uncertain COVID-19 situation and to remain inclusive, this event will be held online.

Registration will be open from **20 September to 20 October 2021** at www.coe.int/cybercrime.

The conference will be preceded by the plenary session of the Cybercrime Convention Committee (T-CY) on 15 November. Participation in that meeting is restricted.
