The mentioned cases are as follows:

- 11) 36175/21 – Mazzei Salvatore S.r.l. v. Italy (**please, note that also this applicant has not been paid so that the letter of the Italian Government of the 13 of July of 2023 – see doc. 2 – includes an erroneous information that influenced, in this regard, the Committee of Minister's report of 12 – 14 of March 2024 – see doc. 3, pag. 2 and footnote 12 –**);

- 12) 36691/21 – Salvaguardia Ambientale v. Italy;

1) ¹ The Laboratorio Analisi Cliniche Altomari S.r.l. v. Italy (application n. 29987/20) has been paid after a successfull enforcement proceedings against the original creditor, i.e. the local authority.

2. The failure to comply with the decisions of the ECHR (after two years) and the Committee of Ministers is a very serious fact that shows the most complete contempt of the Government for the human rights and for the European Authorities that protect them applying the Convention. So we earnestly invite the Committee of Minister to urge the Government to execute the above – mentioned decisions.

Kind regards.

Avv. Francesco Verri
