

Resolution CM/ResDH(2024)325

Execution of the judgment of the European Court of Human Rights Sedat Bayram against Türkiye

(Adopted by the Committee of Ministers on 5 December 2024
at the 1514th meeting of the Ministers' Deputies)

Application No.	Case	Judgment of	Final on
54611/11	SEDAT BAYRAM	17/01/2023	17/01/2023

The Committee of Ministers, under the terms of Article 46, paragraph 2, of the Convention for the Protection of Human Rights and Fundamental Freedoms, which provides that the Committee supervises the execution of final judgments of the European Court of Human Rights (hereinafter “the Convention” and “the Court”),

Having regard to the final judgment transmitted by the Court to the Committee in this case and to the violation established on account of the authorities' unjustified interference with the applicant's right to freedom of assembly (violation of Article 11);

Recalling the respondent State's obligation, under Article 46, paragraph 1, of the Convention, to abide by all final judgments in cases to which it has been a party and that this obligation entails, over and above the payment of any sums awarded by the Court, the adoption by the authorities of the respondent State, where required:

- of individual measures to put an end to violations established and erase their consequences so as to achieve as far as possible *restitutio in integrum*; and
- of general measures preventing similar violations;

Having invited the government of the respondent State to inform the Committee of the measures taken to comply with the above-mentioned obligation;

Having examined the action report provided by the government indicating the individual measures adopted to execute the judgment including the information provided regarding the payment of the just satisfaction awarded by the Court (see document DH-DD(2024)1108);

Considering that the question of individual measures was resolved, given that the applicant has been released, that certain charges against him were dropped due to prescription time and that he did not request reopening in due time of proceedings for the other charges;

Recalling that the question of general measures required in response to the shortcomings found by the Court in this judgment continues to be examined within the framework of the *Oya Ataman v. Turkey* (74552/01) group of cases also in the light of the Court's findings in this case, and that the closure of this case therefore in no way prejudices the Committee's evaluation of the general measures required;

DECLARES that it has exercised its functions under Article 46, paragraph 2, of the Convention in this case;

CONCLUDES that the necessary individual measures have been adopted;

DECIDES to continue to supervise the adoption of the necessary general measures concerning violations of the right to freedom of assembly in the case *Oya Ataman v. Turkey* (74552/01);

DECIDES to close the examination of this case.
